

# WHAT YOU SHOULD KNOW

## ABOUT AUTISM COVERAGE IN OUR STATE

### HOW THIS MAY BENEFIT YOU AND YOUR FAMILY

**2015**

Insurance Reimbursement for Applied Behavior Analysis (ABA) Services for Children on the Autism Spectrum

1. Your child on the spectrum may be eligible to receive ABA services through your insurance provider.

*Check with your provider*

2. If eligible, you will want to become familiar with what ABA is, and who is eligible by law to provide services.

*Check out our Practitioner Qualifications Quick Reference Guide*

**2016**

Licensure of Behavior Analysts

3. You will want to find a service provider that has a good reputation and provides the highest quality of care.

*We can help inform you of providers in the area*

**2017**

Tiered System of Service Delivery

4. You'll want to meet and interview the provider before committing to services.

*We can assist with providing some suggested questions*
